

OSI NEWSLETTER #23

Our 30th Anniversary Year

The support system which you now use was initiated in 1981, under the corporate name of Washington Office Inc. at a Farragutt North location less than a block away (that building is now in reconstruction). Though we originally designed the system to serve attorneys from other cities, we have found our concepts of flexible and economic as-needed services have opened opportunities to serve a wide range of entrepreneurs in Washington and around the world. We look forward to expanding our capacities to support the evolving ways of work which you employ in an increasingly mobile and interconnected world. Thank you for the patronage which has sustained us.

Attorney Networking

We have extended and improved the 'Leading Edge Lawyer' website. We are working to extend the reach of the network to attorneys in other business centers and other cities. Accordingly the site has been renamed the 'ASA Attorney Search', <http://attorneysupportsearch.com> If you are an attorney with OSI please submit your practice information by going to <http://osioffices.com/law.html>

Mental Health Professional Support

We now host over fifty mental health professionals in variety of specialties. We will be circulating a questionnaire to our mental health professionals shortly to get more information on your areas of practice and your ideas as to how we can better support your efforts. We welcome your thoughts and suggestions.

Lockable Mailboxes

We have available lockable mailboxes for those who might prefer this option, for \$5 per month. If you would like to have this service, please send an email to manager@osioffices.com, or advise one of our receptionists when you next communicate with them.

Full Time Offices Available

We have been booked full on full time offices for several months. However, at this time some turnover makes three interior offices available, and one window may be available. If you would like to have full time officing and have maintained your account in current status consistently, this is a good time to let us know. Please call Wil at 292 835 0680 or email him at manager@osioffices.com

Due to increased demand we are pleased to be opening up a new window office, room 319. For the next month it will be outfitted as a regular office and then as a conference room.
